HOW TO APPLY?

We do everything possible to make the Admission Process as easy as possible! Follow the simple steps or contact us if you need any help to get admitted!

START PROCESS

**Step 1. Send the Documents and Get Admitted**

Send us your documents via email or apply online on our website. The documents required are:

- Passport (or any other ID document available);
- School Certificate;
- Bachelor’s/Master’s Degree with transcripts (for PG students);
- Filled Application Form.

As soon as you are admitted we will send you the Admission Letter and the Invoice to cover your first-year tuition fees by email.

**Step 2. Get an Invitation Letter**

If you have EU citizenship, there is no need to get the Invitation Letter. International students who don’t have EU citizenship need to collect all the necessary packages of documents. The documents required:

- Copy of the International Passport (provided by a student);
- Application form (provided by the university, filled by a student);
- Data processing agreement (provided by the university, filled by a student);
- Declaration on the observance of academic integrity by students (provided by the university, filled by a student);
- Document proving English language proficiency level (provided by a student; if not available please check STEP 3);
- Receipt of payment for the one academic year tuition fee (provided by a student).

Invitations to study will be issued within 3 working days, after submitting all the packages of documents.

**Step 3. Pass the English Exam**

If English is your native language or if you have EU citizenship you do not need to pass any tests or exams!

If you need confirmation of knowledge of the English Language, we will conduct the ESOL Exam in the form of online testing. If you need any help our teachers will gladly assist you with any questions!

If you have already passed any English Language Exam you can submit your results and we will inform you if you need to re-pass your test.

**Step 4. Obtain Study VISA**

If you have EU citizenship you do not need VISA to study in Poland! If you are a non-EU citizen, you must get a Student Visa at your nearest Polish embassy or consulate.

Note that students need to book an appointment at the Polish Embassy for Visa submission as soon as the tuition fee is covered!

We will make the VISA Process fast and comfortable for you so you don’t need to worry about anything. We will help you to collect all the necessary documents so you could get your VISA as soon as possible!

**Step 5. Arrive to Study**

As soon as you arrive in Poland we will help you to finish the admission process in 1-3 working days and you can start your classes immediately. Your dream International European University in Poland awaits!
